

Please click [here](#) for a printable PDF of the COVID Waiver.

If you and/or your guest are taking part in an 'in person' Ottawa Club group activity for the first time, the following will apply:

- 1) The member and /or guest should print out the waiver and sign it ahead of time to be handed in when attendance is taken at the 'in person' activity
- 2) The Convenor (or assigned group member) will keep track of who has handed them, the signed waiver.
- 3) The waivers will be stored with the Convenor for safe keeping and you only need to fill out a waiver once, per group (If you belong to 3 'in person' activity groups, then you must give each of the 3 Convenors a signed waiver.)
- 4) Your Convenor will then have a list for your group, that you have signed.
- 5) For the protection and safety of all our members and guests, both health-wise and for liability, no one can participate in, 'in person' activities without signing.

We appreciate your understanding in this process and the step you will take for us all to have more confidence in, 'in person' activities.
