CFUW-OTTAWA

**WE HAVE SOMETHING
FOR EVERY WOMAN**

We are a non-profit, non-partisan group of women who enjoy participating in a *wide* variety of interest and activity groups.

We also work on local, national and international advocacy, and projects that promote education and human rights for women and children.

Additionally, we raise scholarship funds for female students here in Canada and in Afghanistan.

We welcome all women who believe in supporting other women.

TESTIMONIALS

"When I retired from teaching, I missed the on-the-job camaraderie and lively discussions, so thank goodness I found CFUW! The interest groups offered me the joy and challenge of learning something new. I greatly value all the wonderful women of CFUW-Ottawa who became my friends. I am also proud to support CFUW-Ottawa's efforts to provide scholarships for women's education and to advocate for a better world for all women." Leslie B.

"I got the full value of my CFUW membership at my first session with one of the interest groups, "Women with Hammers". I learned the importance of choosing tools that work for women. I have since purchased a new splitting axe for our cottage suitable for me. Now I am able to split firewood at our cottage! I love it!" Kim M.

"I enjoy enormously the many opportunities CFUW continues to give me, but of special and lasting interest has been the link CFUW has given me to Graduate Women International, connecting me to over 15,000 women in some 75 countries around the world." Hally S.
